

Advanced Directives

While the management of this center understands the importance of patient's wishes pertaining to Advanced Directives, including Do Not Resuscitate, Durable Power of Attorney for Health Care, and Living Wills, the Governing Board has set the policy that, due to the nature of services and types of patients admitted to the center, physicians will use all measure possible to sustain life. Patients will be transferred to the nearest hospital emergency facility.

Information is available on Advance Directives at the front office.
